CARE AND MAINTENANCE OF YOUR SLEEPSOUND EARPLUGS

Your ear plugs may be cleaned in warm soapy water or by using a sterile wipe or cloth. Please ensure that your ear plugs are completely dry before use.

For a fitting or cleaning demonstration please visit our YouTube channel.

FITTING GUIDE

Each earpiece is marked with a red or blue or white logo. The earpiece with the RED (logo) fits the RIGHT ear and the one with BLUE (logo) fits the LEFT ear.

Hold the earpiece as in Fig 1 and insert into the ear canal, twisting it backwards while applying slight pressure as in Fig 2 & 3. Press the earpiece until it fits comfortably in your ear as in Fig 4.

To remove, grip the earpieces and twist in a forward motion while pulling gently from the ear.

A tube of comfort cream is provided which can help with insertion, by spreading a small amount on the tip of the earpiece that fits into the ear canal.
